**Internship programme at OKDISCD**

Internship programme at OKDISCD is open for young scholars from diverse Social Science disciplines. The aim of the programme is to provide an opportunity to scholars to improve their research and analytical skills and get an out- of- classroom exposure to the nuances of doing Social Science and policy research.

**Who can apply**

- Students enrolled in full time degree programmes (Bachelor, Master, M.Phil, Ph.D) depending on their course requirements.
- Candidates who have completed their Masters and are looking for opportunity to enhance their research skills.

**Duration of internship**

The duration of the internship is for a period of not less than one (1) month and maximum of six (6) months. However, students enrolled in full time degree programmes (Bachelor, Master, M. Phil, Ph.D), flexibility of duration, depending on the course requirements, is admissible.

**Expected outcomes**

Selected candidates are expected to carry out research and provide support to the ongoing study to which they will be attached with. For this, the candidate may visit the Institute's website for an idea about the broader research mandate of the Institute before applying. Candidates are also expected to submit a report at the end of the internship period, and there will be regular review of progress. It is a full time programme, therefore, regular attendance is required, besides participation in other events of the Institute. Furthermore, the internship is based at the Institute campus and no remote or hybrid mode is possible under this programme.

**Note to applicants**

Interested candidates may apply anytime throughout the year. However, applications will be scrutinized once a month. Only shortlisted candidates will be communicated. At any given point of time, each faculty member of the Institute will enroll not more than two scholars, and selection will be sole discretion of the Institute. On successful completion of the internship, candidates will be given a certificate. No fellowship/stipend or accommodation shall be provided to the interns during the period. Applicants can also submit their own short term research proposals under this programme, which, if found suitable, can be financially supported by the Institute under the mentorship of a faculty.

**How to Apply**

- An application with a Detailed CV may be emailed to [\*\*okdiscdinternship@gmail.com\*\*](mailto:okdiscdinternship@gmail.com) specifying the period of internship.
- Candidates applying for internship as part of their course requirement have to attach a forwarding/recommendation from the HoD/concerned authority of their respective institutions.
